LEARNING PATH

BOARDGAME

During both the virtual and F2F classrooms, participants play the O2O boardgame, which leads them through the 4 steps of the process. Working in groups, they test their acquired skills and practice:

- Analyzing an opportunity to find out if it's real, attractive and if there is an opportunity to win it
- Defining the best solution for the specific selling situation
- Aligning the contacts involved in the opportunity
- Presenting the solution

OPPORTUNITY PLAN

This tool is a guide that **helps participants reflect on any opportunity** by analyzing the different stages of the opportunity management, understanding the information available and defining the strategies and tactics that can be applied, with the aim of **maximizing the chances to win**.

O2O OPPORTUNITY PLAN

ASSESSMENT

ATTRACTIVE?

1. How large is the volume of business at stake?

2. Is the margin?

3. Can the opportunity lead to more?

4. Is the opportunity a good fit for the company?

5. Will strategic products or services be developed for your company?

6. Is there a low level of technical difficulties?

If you scored less than 6 points, the opportunity is not very attractive to you and you might consider not to go for it
